RYA, RYA House, Ensign Way, Hamble, Southampton, SO31 4YA. Tel: 0845 365 0401 e-mail: scvcerts@rya.org.uk

Notes for the Owner / Managing Agent
 RYA SCV Certificates are issued annually at the anniversary of the vessels last five year Examination. Coupled with this and printed at the same time is an annual validation disc. This Certificate and disc supersedes all other certificates and discs previously issued to the vessel. Please check the details shown and if any are wrong let the RYA know. A corrected replacement will be issued. Please remove the disc from this form and display it on the vessel so that it is clearly visible from the outside.
 An RYA website page designed especially for RYA MCA SCV Coded boat owners / agents is now available. On this page will be posted notices etc. that are considered important to Coded vessels and their equipment e.g. the latest thinking on liferafts. It is suggested that a monthly visit to see what is on this page would be prudent. A recent report has highlighted the need for liferafts to be stowed correctly to avoid being damaged. Please consult your liferaft supplier for advice.
 Finally, if you have any queries or comments concerning the certification of this vessel then please do not hesitate to contact the RYA Technical Department on: Tel: 0845 365 0401 email: technical@rya.org.uk
